#### **President' Corner:**

This one of my favorite times of the year. I love all the festivities of the season, the baking, the shopping the lights, the music, family and friends all gathering to celebrate; the baby in the manger and of course children also love the man in his red suit! He with the help of his elves make the holiday brighter for many children. Have you ever thought of yourself as an elf, Santa's helper, one who is part of a global organization who wants to improve one child and one community at a time? Well, no matter how you put it, Day Makers are a shining example of that statement. December is such a busy time for each of us personally and, yet you took time to volunteer in so many once of the of the year needs of our community. Many of these will be featured in other parts of newsletter.

I am proud to be a Day Maker, prouder even more of each one of you for your generosity of time and money this past month.

I want to say safe travels to those Day Makers who are traveling to warmer climate these next few months. Don't forget about us that didn't get to a chance to leave this wonderful Minnesota winter. Send us a post card!

Congratulations to Kathy Davis for the wonderful acknowledgement she received for her outstanding commitment to her community.

Our hearts and prayers go out to the families of our fellow Kiwanians who have past way recently.

# **Kiwanis Defining Statement:**

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.

# Kiwanis Day Makers / Golden K Christmas Anonymous 2017

Once again our club along with the Golden K and with support of some outside help provided the logistical support for Christmas Anonymous, and much appreciated thanks to all who helped. Here is a summary of our efforts:

- 542 families were served by Christmas Anonymous, (this included approx. 1600 children aged 1 to 18) and 295 seniors receiving food baskets
- Collected food clothing and toys from 16 grade schools
- Loaded food (4,828 lbs.), delivered and assisted in senior food packing
- Assisted with KTTC Toy Drive
- Moved 93 8 ft. tables from Graham Arena to Christ United Methodist Church and returned same, and 16 8ft tables donated by CUMC to storage.
- Moved all clothing, toys, racking, etc. from storage to CUMC
- Moved 3,000 lbs. of apples
- Unloaded 36,328 lbs. of food for families
- Moved 225 bikes to CUMC from storage
- Assisted on store day with cardboard breakdown, checkout, clean up etc.
- Returned all leftover items to storage.

This was accomplished by the transportation volunteers. Many other Day Maker volunteers worked in food packing, drop off contribution center, bike repair, used toys, store day support, escorts and other areas.

Total Hours for Transportation Area - approx. 170 hrs. The Golden K would have had slightly more.

### **Membership Thoughts:**

This is from the **AARP Bulletin Newsletter** dated December 2017, the theme is "Boost Your Brain Power:. The whole issue is focused on Dementia and Alzheimer's risks and avoiding the problems as we age.

All 40+ pages were interesting, however on Page 22 the article called "6 *Ways to Regain Your Focus*" seemed especially useful for our membership drive.

The 6 ways were explained:

- 1. Grab a good novel
- 2. Play an instrument
- 3. Work in the morning
- 4. Learn a language
- 5. Chew gum
- 6. Volunteer

Number 3 and 6 should be part of our membership growth thinking, especially #6.

#6 Volunteer — When older adults volunteered in the Baltimore Experience Corp — a program in which retirees serve as *mentors for children* — it not only stopped agerelated shrinking of the brain, but some brains grew slightly in size, according to research from the John Hopkins Bloomberg School of Public Health in Baltimore.

This is what we do in many ways and who knew it was good for us also!

Just another good reason to join Kiwanis and share our skills and love of children.
