Presidents' Corner:

Greetings to All,
Oh friends it's been so long since we have all gathered together and it seems like it will be a bit longer.

A big thank you to Jack Zierdt for writing and sending out our weekly note. It so helps to keep us all up to date on our club's news. Thank goodness for electronics. Anyone willing to have Zoom meetings ?

We are in the planning stages for future activities. Ruth Vrieze has been busy setting up times for bell ring for the Salvation Army in December and for reading to kids through the SMIF program. Yes, we will carry on.

Now that nice weather is here don't forget to get your car wash cards from Herb . His number is 507-289-8550. While you're at it get gas cards too. Just think how many miles to the card you will get . 😊

We need to keep the family of Merlyn Jeche in our thoughts and prayers as he is in hospice care. We will let you know more later.

Kiwanis Day Makers Club Dues:

April was the beginning of the third quarter of the Kiwanis year. Therefore, the third quarter (April-May-June) dues are now payable. Please send your check for the third quarter dues to Jack.

Some of you still owe for the second quarter of the Kiwanis year so please send those dues in as well. If you aren't sure if you paid your second quarter dues, please feel free to contact Jack.

Thank you to those that have sent in your dues since I mentioned it in last week's informational notes.

The dues are as follows: Regular Membership \$45.00 @quarter; Spouse Membership \$25.00 @quarter and Life Membership \$35.00 @quarter.

And do not worry, Social Distancing may be maintained for home deliveries....

Social Distancing Maintained:

Deedee Odell acquires Rochester Music Guild coupons for Sergants Nursery from Ella VanLanningham... a "win-win" situation.

Community Service Committee:

The committee did not meet in March, April and it appears May is also questionable. Most of our volunteer activities, as everyone knows, have either been postponed or cancelled.

This included several appreciation dinners. A Litter Bit Better was scheduled to occur this week and into early May and because of the shutdown I didn't put in for our group to participate. I do not know if they are rescheduling.

Although most activities are in limbo at the present, there are a couple which you can still take part. The Bear Creek Trail and Quarry Hill offer opportunities to pick up litter and maintain social distancing.

Also, I see that Meals on Wheels still is operating.

In any case be safe, and we look forward to when we can once again meet.

Presidents Corner: Continued from page 1

As was mentioned in your weekly note that more than likely we will not be meeting until June. I have know idea when the Elks Club will be open and we can resume our meetings. Until then here is a quote I had posted in my classroom and is still hanging on my refrigerator.

"Life is not the way it's suppose to be.

It's the way it is.

The way you cope with it is what makes the difference.

Take Care.

“K” Dollar Challenge:

So—the “K” Dollar Challenge continues until the District Convention in St. Cloud in August. I have heard, plus read in the Minnekotan, that there are quite a few clubs in our district that are collecting “K” dollars for the “K” Dollar Challenge this time. It will be fun to see how we do this year come the District Convention. A number of you are having fun looking for the “K” on your dollar bills and bringing them to our weekly meetings. So far, we have collected \$634 as of March 10th. Thank you. So keep looking for those “K” dollars!

Dick Odell keeps finding several K-dollars each week at the McDonald’s drive-up coffee window.

All of your “K” dollars go into the Children’s Fund to help children in many places and ways. It is a way of reaching children through grants, scholarships programs and Kiwanis youth programs.
