### **Kiwanis Mission Statement:**

**Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.**

## Heard On The Street in 1955:

'I'll tell you one thing, if things keep going the way they are, it's going to be impossible to buy a week's groceries for \$10.00.

'Have you seen the new cars coming out next year? It won't be long before \$1,000.00 will only buy a used one.

'Did you hear the post office is thinking about charging 7 cents just to mail a letter.

'If they raise the minimum wage to \$1.00, nobody will be able to hire outside help at the store.

'When I first started driving, who would have thought gas would someday cost 25 cents a gallon.

'It's too bad things are so tough nowadays. I see where a few married women are having to work to make ends meet.

'I'm afraid the Volkswagen car is going to open the door to a whole lot of foreign business.

'The drive-in restaurant is convenient in nice weather, but I seriously doubt they will ever catch on.

'No one can afford to be sick anymore, at \$15.00 a day in the hospital, it's too rich for my blood.'

'If they think I'll pay 30 cents for a haircut, forget it.'

## ELIMINATE.

**Kiwanis and UNICEF joined forces to tackle iodine deficiency disorders (IDD)**, achieving one of the most significant public health successes of the 20<sup>th</sup> century. Now we are attacking a disease that kills over 60,000 babies and another 30,000 mothers every year. That is MNT (Maternal and Neonatal Tetanus) a disease that kills one baby every nine minutes worldwide.

The disease can be attacked in 2 ways, clean birthing methods and a vaccine that costs 60 cents for each of 3 vaccinations. As a by-product, it is expected that better health care will be provided to thousands of poor and neglected families in extreme rural areas in 40 countries

You can expect to hear more of this project as more plans are put in place to achieve the goals.

**HAPPY BUCKS:**

For a long time now, I've been thinking we should have a happy bucks column and with that in mind I will report on one of the last trips Jerine and I just finished.

We went on a three day car trip to Hoover's presidential library in West Branch, Iowa, then to Bishop Hill (the oldest Swedish colony in the U S). We then went on to Springfield, IL to Lincoln's presidential library and museum ( an absolute must see if you haven't been there). While there we took in all the Lincoln sites (there are many), then on to New Salem where Lincoln lived and worked for about five years. He was a storekeeper and Postmaster there.

On the way home we stopped in Galena, IL to visit President Grant"s home.

All-in-all, a lot of things to see and do in just three days. A nice short getaway. I think Pat and Paul did something like this. How about your insight on Lincoln's museum?

**NO BRAINER FUNDRAISER:**

“What a great success for adding dollars to the club treasury. With almost \$1,000.00 in sales generated, our club will receive close to \$200.00 from Perkins South ..... And all we did was enjoy a good meal(s) .... With no dishes to do!

We're going keep the program going by having another “No Brainer” day, **THURSDAY JULY 22<sup>nd</sup>**, set aside as Kiwanis Day Makers day. Come one - come all. Eat early – eat often.

Mark your calendars now to be part of this event.” See next page for the Perkins Coupons.

Regards, *Dave Moehnke*

**Youth Services:**

There has been a group of Day Makers making the rounds of five (5) Rochester Elementary schools educating 2<sup>nd</sup> and 3<sup>rd</sup> grade students on bicycle care and safety. Todate, the group has held eighteen sessions at the schools with a total of over 500 students trained! (Yes you read that right – over five hundred elementary kids). The schools involved are Franklin, Gibbs, Riverside, Sunset Terrace, Harriet Bishop and Churchill.

Congratulations to Al Southwick, Jim Cook, Bob Wenner, Chuck Jacobson and Mike Siverling on getting all those young school children trained in the safe use and maintenance of their bicycles. The group also had a non-Day Maker volunteer – Warren Lapour. Sounds like a good candidate for a new member.
