#### CIRCLE OF THREE

It has come to my attention that we are not doing a good job of the circle of three concept. We have had members in the hospital and did not know about it. We need to put more effort into this or have the board come up with some other idea of how to keep track of what is happening when members don't show up for a week or two. Any ideas?

#### Presidents' Corner:

Here we are rolling into the month of August and before we know it our wonderful summer will be behind us.

We had another very successful “No Brainer Fund Raiser.” What a fun and easy way to raise money. Hats off to Dave Moenke for organizing it, Perkins South Restaurant for hosting and all of you who participated by getting your tummy full of good food and supporting the fund raiser. “Let the money roll in.”

This month a few of us will be going to the District Convention in Fargo on August 13<sup>th</sup>. Don and Sally Wendt and I will be your delegates and I know several others of you are going too. Let us know if there is any special information you would like for us to bring back to the club. This will be my first Kiwanis Convention and I'm really looking forward to it. We will give you a complete update when we return.

Remember to mark your calendars for August 17<sup>th</sup> as that is the date of our annual picnic. The picnic will be at Quarry Hill Nature Center. Say a BIG prayer that the weather holds out and that we have FOOD this year. I don't think I will ever live down last year. At least we had great desserts and pop.

**June Service Hour Statistics:** 887 hours by 53 members, 62% Participation.

**June 8, 2010 Board Meeting Highlights:**

Our club needs a member to represent us on the city wide Christmas Anonymous project.

Installation of Officers/Annual Banquet date has changed. It is now scheduled for September 21<sup>st</sup> at the Willow Creek Golf Club. There will be a silent auction.

In light of our happy buck fund balance, the board revised the budget for the three remaining annual events this Kiwanis year (Birthday Party, Picnic, *and* Banquet) from \$1,150 to \$742. This will result in lower subsidies for those attending these events.

The board approved the membership application from Rick Johnson.

Perkins South will allow our club to display Kiwanis information and provide handouts during our fundraisers there. The board discussed the possibilities.

The secretary has received proposed bylaw changes that will be voted on at the district convention. Copies will be provided to our delegates.

**COMMITTEE REPORTS**

**Membership-** Two new members needed by September 30<sup>th</sup>.

**President's Corner (continued):**

Enjoy your last month of summer and be all geared up to hit the ground running in September. I will be bringing to you information on a project that I feel would be a good fit for Kiwanis. The project is called "Kids Voting Minnesota / Rochester." Maybe some of you are familiar with the project and if you are not, that is OK, because I have lots of information to share with you.

Take Care, Kathy Davis

**HAPPY BUCKS:**

For a long time now, I've been thinking we should have a happy bucks column and with that in mind I will report on one of the last trips Jerine and I just finished.

Jerine and I went to New York City on a bus tour with Glenn's. It was a blast. We spent 3 full days (8AM to 11PM) in Manhattan. We saw all the sights plus 2 Broadway shows, South Pacific at the Lincoln Center and Lion King at some other Broadway theater. They were both super.

I lived out in that country for 2 years in another life and nothing has changed, it's still a giant automated ant hill.
