Co-Presidents' Corner:

With the month of August upon us we will be very busy with our regular Kiwanis meetings as well as the Minnesota-Dakotas Kiwanis District Convention coming up on the 11th through the 13th of August in Watertown, South Dakota. This year's District convention will be the 100th annual convention so we're sure that it will be a memorable anniversary event ... a one in a hundred special occasion.

If you would like to help support the District's service project of supplying disposable diapers to the community of Watertown shelters please bring them to the meeting on August 8th. Dick Odell will transport the diapers to the convention.

Also, during this month we will be celebrating the Day Maker Kiwanis Club's 23rd Birthday at our annual picnic. Unbelievable! This event will be held on Tuesday, August 15th at Quarry Hill Park beginning at 4:45 PM with a program by the Quarry Hill Staff. The picnic dinner will be served at approximately 5:30 PM. The meal will be catered by Charlie's Eatery and Pub. The cost for the picnic dinner will be \$8.00 per person.

Please remember to put the date of September 26th on your calendar for our annual meeting and dinner at Willow Creek Golf Course. We will be conducting the annual ritual of inducting the new officers for the 2017 - 2018 Kiwanis Year.

Bob and I would like to take this opportunity to once again thank you for all you do in service to the Rochester Community in the Kiwanis Day Makers name.

Ethiopia: 42nd country to Eliminate MNT:

In July, Ethiopia became the 42nd country to eliminate maternal and neonatal tetanus since 2000, thanks to Kiwanians and our partnership with UNICEF through **The Eliminate Project**. Now, this excruciating, but preventable disease will not be a threat to mothers and babies in Ethiopia.

"And Now for the Rest of the Story" regarding the New Mother Library Packets.

As reported and pictured in last month's newsletter by Helen Kolb, she, Pat Horlocker and Phyllis Jacobs put the packets together at the Library toward the end of each month.

Near the middle of the following month the two big heavy totes are picked up and delivered to the Methodist and Olmsted Hospitals Obstetrics / Delivery Units by Dick Vrieze, Larry Scilley or Rick Johnson.

The totes are then returned to the Library for the next repacking.

Diapers for MN-Dak Convention:

Once again the MN-Dak Convention is collecting diapers for a Kiwanis donation to a child care facility at our convention host community (this year it is Watertown, SD).

For the last several years our “Wall of Diapers” has been a big hit with the communities that host our convention. Even if you are not able to attend the convention, those Day Makers who will be representing our club will be happy to take your diaper donation along with their boxes.

Generally the recommended sizes are 4 thru 5 as newborns are not generally as needed as the larger sizes.

Help build the “Wall of Diapers”.

Now is the time to take advantage of the many coupons and discounts in our local paper ads for our local stores. Please bring you diaper boxes to our August 8th meeting.

Thank You Letter: Family of Darlene Brandt

Our club sent a thank you letter to the family of Darlene Brandt thanking them for a \$500 memorial donation. We will use the monies to expand the reading program at the “Hook Book Library” at Pinewood Elementary School.

This library is separate from the normal school library and is a special library that focuses on helping select students become enamored with reading by introducing them to an intriguing book series... so they will be “hooked on reading”.

This has been a very successful reading program for students who need a little extra encouragement to enhance their reading skills and interest in reading.

The “Hook Book Library” will use the funds to purchase additional topic book series.
