October 13, 2009 Board Meeting Highlights:

As of January 1, 2010, our meeting space will no longer be leased by the Senior Center. The building owner offered to allow us to continue meeting in the same space for \$350 per month. No action was taken. The board discussed the possibility of moving into the main bingo floor, or finding an alternate meeting site.

The board approved the following: For new member orientation, at a breakfast meeting of the membership committee, the club will pay for meals for the proposed member, the proposed member's spouse, and one sponsor.

COMMITTEE REPORTS

Membership- Committee meetings will be held at 9:00 am on the fourth Thursday of the month at Blondell's.

Program- Programs are scheduled through November 3rd.

Operations - Looking at fund raising options

Youth Services- The committee is meeting again as the school year starts. Day Maker members are attending the Key Club officers meetings as well as the Key Club meetings.

Kiwanis Mission Statement:

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.

America's Natural Beauty: (Eye of the beholder)

Have you seen the world largest "tennis shoe tree"? Better than a "money tree". Travel the "loneliest road in America" ... US Highway 50 across Nevada/Utah.

Don't forget to take a pair with you to "contribute" to the scenery....cowboy boots, wingtips, flippers, high heels and waders are all welcomed.

Operations :

At this time I have 9 HyVee coupon books left. If you shop at any of the HyVee stores and will have a \$ 50 order you will get the \$5 cost back on the first coupon. Each book nets us \$4 so when these are sold our club will have \$400 in the bank for our projects. The coupons expire Dec 31, 2009.

Phyllis

Program Committee:

We are changing the Program Committee meeting date to the first Tuesday in the month which means our next scheduled meeting will be after the regular meeting on Tuesday November 3.

Those of you who signed up to be on the Program Committee should plan to attend. A big "Thanks" to Ella Van Landingham for arranging to have Joyce Gibbs in to talk to us on October 28. We had a cancellation 2 days before our meeting date and Ella came through with our speaker.
