Presidents' Corner:

What a fantastic first month of what is turning out to be a very exciting Kawanis New Year. The IHN Cardboard Box City event was very successful and three new people decided to join our Day Makers Kiwanis Club.

November brings us a new service project with the kickoff of the upcoming K-Family Retreat and 5K Run/Walk for the Eliminate project. Surely, November will be very exciting and busy for all Day Makers. Please be sure and mark your calendars for Nov 18th – 20th.

The Key Club and Builder Clubs are really behind this project under the support from Diane Johnson and her team and they need to see our backing.

As we look forward to this year, I would ask that each of us continue think about what we can do to support Herb Erickson in his leadership role of the Kiwanis ELIMINATE project. You may also want to read the web link referenced in previous column about the first 850 members of the Walter P Zeller Fellowship medal and certificate.

I hope most of our members were present at the last meeting when I asked Don Wendt to read the Thank You Letter from Mayo Clinic Volunteer Manager for our fantastic Service Hours for 2010 Community Service and Mayo Clinic specific service hours. Thank you all.

Kiwanis Mission Statement:

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.

President's Corner (continued):

Finally, I would like to remind every Day Maker about how important the Kiwanis / Thinkbank Hockey Festival is to all four Rochester Kiwanis Clubs. It is the biggest funding event for our Day Makers projects and certainly is a major youth project for many players and their families throughout the state. So I hope all of us who are able to enjoy Christmas week in Rochester that we will have a great event turnout and the weeks leading up to the event need lots of Kiwanis Day Maker participation...and I am sure Bob Nowicki and his team will appreciate all who can help.

And as we approach Thanksgiving may we all be thankful for our ability to share with those who may not be able to.

Richard Odell, President

Secretary/Treasurer's Report: (Continued)

Youth Services- The Century Key Club is planning to do a UNICEF collection for eliMiNaTe on Halloween. An article and letter to the editor have been submitted to the Post Bulletin.

Richard Lundberg, Secretary/Treasurer

Riverside K-kids:

The Riverside Central K-kids did a fantastic job of clearing an area adjacent to the school for a butterfly/flower garden. Rocks and debris were picked up and the newly tilled soil was leveled by raking in preparation for planting in the spring.

Kiwanis Day Makers, Marv, Judy, Marie, Jim, Rick, Dave, Ken, and Al furnished tools and advice and stayed out of the way of the ambitious K-kids.

Donated plants from the Kiwanis Day Makers and the Olmsted Master Gardeners will be used in a design by Jeff Feece from Sargent's Landscape Nursery for the garden. The completed garden will provide multiple opportunities for students at Riverside Central Elementary to observe hummingbirds, insects, and a variety of plants. It will be great!!

Sue Thalacker led the K-kids in a discussion of Alzheimer's in preparation for a visit to the residents at Golden Living Center. The K-kids will bring decorations that they made and will play bingo with the residents at their next meeting in November.

Joan Olson

Joan was born in Los Angeles, CA and she was raised in Inglewood, CA with four brothers. She was quite a tom boy.

One day in church she met this young engineer from Minnesota. They both sang in the church choir. One Sunday they sang in a quartet ... bingo.

A short time later they had their first date. Three weeks later they were engaged and three months later they were married. About three years later we moved to Minnesota with our first two sons.

We now, after almost 53 years of marriage, have three sons, three daughter-in-laws and 10 grandchildren.

Joan still enjoys singing in the church choir and playing with the grandkids. She has always been very supportive of meals-on-wheels, reading to kids, sewing and of course traveling.

I am very sure she will be a great addition to our Day Makers Kiwanis Club.

Welcome to Day Makers, Joan.

Pat Mann

Pat grew up in Washington DC and worked at the Department of State during the Cuban missile crisis.

She attended George Washington University in Washington DC and eventually headed to the Midwest and graduated from the University of Wisconsin-Milwaukee

She moved to Rochester in 1972 and has three children and three grandchildren. She worked at Mayo in Medical Oncology, Rheumatology, and the Cancer Center.

She enjoys adventure travel – to celebrate retiring she went to Tanzania to climb Mount Kilimanjaro and experience a safari. Another great trip was rafting through the Grand Canyon on the Colorado River. She loves road biking.

She is a current Friends of the Library Bookstore volunteer and is looking forward to other community service projects.

She has a daughter who was born with congenital heart disease and has had four open heart surgeries and just celebrated her 47th birthday. Kiwanis support for the Mending Little Hearts program will be so valuable for the parents of these children. She is looking forward to being involved with this service project.

Welcome to Day Makers – Pat.
