Sept 29 Day Maker Annual Dinner, Willow Creek Country Club

Presidents' Corner:

It's hard to believe summer is more than half over It sure doesn't seem like it has been here at all.

On July 21st we had our annual picnic at Quarry Hill Park. We really thought we would have to run for shelter from the incoming thunderstorm, but we were lucky the storm held off until we got home. Unfortunately the caterer forgot to come so we finally had our picnic of dessert and pop and water. The caterer was very apologetic and has offered to give us a free meal. We are looking at having a lunch meeting on Tuesday Sept. 1st at 11:30am. If people complain that we need an occasion to celebrate we could say that it is for David's birthday which is on Sept 2nd.

Our annual meeting will be at Willow Creek Golf Course on Sept 29th, time to be announced. We may do a buffet dinner this year.

Kiwanis International is looking for suggestions for a world wide activity that all Kiwanis could be involved with. If you have any suggestions let me know.

Have a good August.

Marie Alexander

YCPO YE Report:

As our (KIWANIS) year is drawing to an end, I extend my thanks to all of you who willingly volunteer to help. Child Care Resource and Referral (CCRR) appreciates our help and support, and they always express that they would not be able to hold their Family Fun Night without our support. It is rather unfortunate that CCRR's Super Bowl Saturday event was so successful that they outgrew their venue and was not able to hold it this year.

I also want to thank those who volunteer to help at Channel One. If you have never been to Channel One, but have thought about it or wondered what the work is like, I suggest you ask some of the folks that have signed up. I think they will confirm that the work is not strenuous (maybe repetitive at times), and it is a good time to get to know one another better.

And it goes without saying that the Parent/Child Fair during RochesterFest would not happen without your support, without the funding support from the KIWANIS/Wells Fargo Hockey Tournament, and the support from the other KIWANIS clubs in Rochester. Thanks for making it a big success again this year.

We held our July membership meeting on the 2nd. We discussed ways we could get more members into our club. We are at the minimum number of 86 members in order to meet the requirements to be a distinguished club. We can always accommodate a few more good members.

Our next meeting will be at Blondell's August 6th at 9AM. Try to make it.

Web Humor: A Chocoholic's Rules of Chocolate

1. If you've got melted chocolate all over your hands, you're eating it too slowly.
2. Chocolate covered raisins, cherries, orange slices & strawberries all count as fruit, so eat as many as you want
3. **The problem:** How to get 2 pounds of chocolate home from the store in a hot car.
The solution: Eat it in the parking lot.
4. Chocolate has many preservatives. Preservatives make you look younger.
